Top 5 Reasons to hire us TODAY:

1. We help you stand out from your competition who are either not offering a live music experience, or they hire cheaper amateurs (we often actually cost less!)
2. Our goal is to encourage your guests to return time and again and bring more friends!
3. We offer your guests a fun and memorable 'experience', not just background music-
4. We help build a night through personality, PR, and social media-
5. Affordable 'professional' entertainers (you know the difference!)-

*"They are the real deal! One of the best to play for our crowds,
always perfect selection, always fun! I wish more bands were like them!"*
